Elegant and accessible, this interactive handbook teaches crafters of all ages how to create kinetic paper art. The projects are complete with examples, formulas, and the essential instruction that allows them to be constructed directly from the book with simple materials on hand: paper, scissors, and glue. Pop-ups are grouped by type--box or triangle--and as the chapters progress, the techniques are combined and layered for more dramatic effects. With its thorough explanations and inspiring ideas, this book will bring color and motion to crafters' cards, scrapbooks, and invitations.

Provides instructions in the three basic patterns for making pop-up illustrations and how to use them in more complicated designs, as well as how to put together slides, pull tabs, and rotating disks

When was the last time you picked up a pair of scissors? Was it when you cut open a letter envelope? Or what about that time you cut into that book a few millimeters? But if you think about it, those creaky scissors can be used for fun. Now how about applying those scissors to something artistic and practical! They can be good friends and a source of magic when you want to make something for yourself or others. With a little wrist action and some paper those rusty scissors can turn little sheets into a bouquet of flowers! They can be used to celebrate or commemorate a special occasion. Or they can add color and beauty to a setting with little more than a traced pattern and some dexterity. In *Simply Precious Pop-Ups* paper-crafter Kiyoshi Kikuchi offers up more than 50 easy to follow pop-up card patterns for everyone to enjoy! By simply following his large patterns crafters, young and old, can quickly make fun and attractive cards for any occasion. Patterns include: Holiday patterns - New Years, Girls Day, Valentine's, Mother's Day, Father's Day, Christmas Special occasions - Graduation, Weddings, New Job More than a dozen Birthday Cards and Seasonal-themed cards!

A card is an even more special gift when it ' s made by hand, and the cards in this book make the giving even more fun through designs that pop up, move, and spin.
