Il Vangelo ufficiale commentato dal Santo Padre Sono ormai passati oltre quattro anni da quel giorno di metà marzo in cui il mondo conobbe per la prima volta il volto e le parole di papa Francesco. E da allora, il primo papa sudamericano della storia della Chiesa Cattolica non è mai stato avaro di parole.

Eccoci giunti all'appuntamento con il Fumetto del Mese. Febbraio sarà dedicato a V For Vangelo di Stefano Antonucci e Daniele Fabbri. Tra situazioni surreali, black humor e critiche alla società italiana, va in scena il nuovo fumetto satirico della coppia di autori, già conosciuti grazie al successo editoriale Gesù – La Trilogia (Shockdom).

The study of the reciprocal relationship between the Bible and popular culture has blossomed in the past few decades, and the time seems ripe for a broadly-conceived work that assesses the current state of the field, offers examples of work in that field, and suggests future directions for further study. This Handbook includes a wide range of topics organized under several broad themes, including biblical characters (such as Adam, Eve, David and Jesus) and themes (like Creation, Hell, and Apocalyptic) in popular culture; the Bible in popular cultural genres (for example, film, comics, and Jazz); and "lived" examples (such as museums and theme parks). The Handbook concludes with a section taking stock of methodologies and the impact of the field on teaching and publishing. The Oxford Handbook of the Bible and American Popular Culture represents a major contribution to the field by some of its leading practitioners, and will be a key resource for the future development of the study of both the Bible and its role in American popular culture.

Everyone knows about the immaculate conception and the crucifixion. But what happened to Jesus between the manger and the Sermon on the Mount? In this hilarious and bold novel, the acclaimed Christopher Moore shares the greatest story never told: the life of Christ as seen by his boyhood pal, Biff. Just what was Jesus doing during the many years that have gone unrecorded in the Bible? Biff was there at his side, and now after two thousand years, he shares those good, bad, ugly, and miraculous times. Screamingly funny, audaciously fresh, Lamb rivals the best of Tom Robbins and Carl Hiaasen, and is sure to please this gifted writer's fans and win him legions more.

On its appearance in 1952 the Times Literary Supplement called *Hemlock and After* 'a novel of remarkable power and literary skill which deserves to be judged by the highest standards'. Angus Wilson's first novel is concerned with the hypocrisies of middle-class society. The protagonist, Bernard Sands, is a novelist and an intellectual who tries to found a centre for young writers. However, Sands is a secret homosexual and in the post-war Britain of the time his liberal ideas cause much anxiety to those in charge. Surrounded by false friends and scheming enemies Sands has to come to terms with his emotions and is forced to decide where his loyalties lie. A compassionately written novel *Hemlock and After* explores the conflict of duty and love in one man's life and the consequences of our choices. Written at a time when homosexuality was still an offence *Hemlock and After* is a brilliantly handled novel from a writer who was described by John Betjeman as 'mercilessly accurate and never dull.'

The Ten Realms have all fallen to Malekith and his army -- except one. Now, at last, Midgard burns! All hell breaks loose as Malekith and his allies begin their assault on Earth -- and with Thor trapped in the land of the Frost Giants, Earth's forces are overwhelmed! What can possibly stop the diabolical Dark Elf and his army? Spider-Man, Captain America, the Punisher, Ghost Rider, Blade, Hulk and many more join the fray as Jason Aaron's epic THOR saga reaches a crescendo that explodes across the Marvel Universe! It all started when Jeff Guinn was assigned to write a piece full of little-known facts about Christmas for his paper, The Fort Worth Star-Telegram. A few months later, he received a call from a gentleman who told him that he showed the story to an important friend who didn't think much of it. And who might that be? asked Jeff. The next thing he knew, he was whisked off to the North Pole to meet with this "very important friend," and the rest is, well, as they say, history. An enchanting holiday treasure, *The Autobiography of Santa Claus* combines solid historical fact with legend to deliver the definitive story of Santa Claus. And who better to lead us through seventeen centuries of Christmas magic than good ol' Saint Nick himself? Families will delight in each chapter of this new Christmas classic—one per each cold December night leading up to Christmas!

In a luxury spa hotel in the Swiss Alps, octogenarian friends Fred Ballinger and Mick Boyle look back on their eventful and successful lives as composer and film director, surrounded by a host of colorful and eccentric fellow guests, ranging from a South American soccer star to a famous Californian actor and a reigning Miss Universe. Ballinger is there simply to enjoy his retirement, while Boyle is working with five scriptwriters on his last film, which he hopes will be

his masterpiece. When Ballinger is invited by Buckingham Palace to conduct his most famous piece at Prince Philip's birthday celebration and accept a knighthood in return, he refuses, citing personal reasons. As for Mick Boyle, he eventually receives a visit from Brenda Morel, his signature actress, who comes all the way from California to give her opinion of this latest film in which she is to star. At the same time as these two men face these turning points, the marriage of Fred's daughter to Mick's son brings further complications. Only by reconciling with their muses, and by coming to terms with old age and the weight of memory that comes with it, can the two friends move forward with what remains of their lives.

What does it mean to pursue an intimate relationship with God? intimacy, obedience, and the miraculous as a blueprint for all believers. Combining sound biblical teaching with keen insight and compelling personal accounts from others, Dr. Clark invites us to go deeper by exploring the following questions: How do we achieve true intimacy in our relationship with God? What does it mean to express faith that results in the miraculous? What does the Bible say about the balance between obedience and grace? A clear understanding of the integral relationship between intimacy and obedience provides a framework in today's world for glorifying God, particularly through the miraculous, as Dr. Clark has so profoundly demonstrated during his many years of ministry. He longs for you to renew your knowledge of God's deep love for His children and how fervently God desires a life of intimate friendship with you.

Networking means to create nets of relations, where the publisher and the reader, the artist and the audience, act on the same level. The book is a first tentative reconstruction of the history of artistic networking in Italy, through an analysis of media and art projects which during the past twenty years have given way to a creative, shared and aware use of technologies, from video to computers, contributing to the creation of Italian hacker communities. The Italian network proposes a form of critical information, disseminated through independent and collective projects where the idea of freedom of expression is a central theme. In Italy, thanks to the alternative use of Internet, during the past twenty years a vast national network of people who share political, cultural and artistic views has been formed. The book describes the evolution of the Italian hacktivism and net culture from the 1980s till today. It builds a reflection on the new role of the artist and author who becomes a networker, operating in collective nets, reconnecting to Neoavant-garde practices of the 1960s (first and foremost Fluxus), but also Mail Art, Neoism and Luther Blissett. A path which began in BBSes, alternative web platforms spread in Italy through the 1980s even before the Internet even existed, and then moved on to Hackmeetings, to Teletstreet and networking art by different artists such as 0100101110101101.ORG, [epidemiC], Jaromil, Giacomo Verde, Giovanotti Mondani Meccanici, Correnti Magnetiche, Candida TV, Tommaso Tozzi, Federico Bucalossi, Massimo Contrasto, Mariano Equizzi, Pigreca, Molleindustria, Guerriglia Marketing, Sexyshock, Phag Off and many others.

A follow-up to the New York Times best-seller *The Rule of Four* finds a lost gospel, a contentious relic and a dying pope's final wish sending two Vatican priest brothers on a dangerous intellectual quest to untangle Christianity's greatest historical mystery.
