This Owl Journal is perfect for those who want to write down their everyday goals or just as a note taker. This Owls Notebook is the great gift for animals, owls birds lovers. 6 x 9 in (15.24 x 22.86 cm) 120 pages.

The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to Barack Obama, written by ESPN's TheUndeated.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndeated.com. From visionaries to entrepreneurs, athletes to activists, the Fierce 44 are beacons of brilliance, perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

Now in PDF Get outside and get inspired in the garden Bursting with garden projects to make, cook and create, RHS Garden Projects is full of different projects for children to get excited about. From making their own garden buddy to baking a blueberry cheesecake; from lemonade lollies to Wild-West cacti, RHS Garden Projects is chock full of inspiring ideas. Each project and recipe is easy to make and has clear steps to follow. Beautiful photographs inspire children to make their own projects whilst bringing the garden to life - further proof that there's so much fun to be had in their own back yard. Also, there's a funky quiz section at the end of the book so kids can test their knowledge of plants and garden bugs. For those with green fingers and an active imagination, look no further than RHS Garden Projects.

Marquette Masters offers parents a unique perspective of looking at distance learning education. In her book, Education Uninterrupted, she provides a framework for understanding how parents should navigate distance learning. She offers her life experiences and research as a roadmap to parent success. Masters draws on her parenting, education, and leadership experience to provide parents with strategies that will assist with school environment, instructional expectations, mental wellness, family balance, and transitioning back to a classroom setting. Masters renders deliberate actions that parents can use to acquire distance learning mastery. This book presents a clear plan for success while giving parents hope during uncertain times.

Jaguar Secrets Who would have thought saving a stray cat could change her whole life? Yet that is exactly what happens when Cammi saves a black kitten from under a jetty. Jaguar shapeshifter Luca is out looking for his ratbag little brother, Rogue, who has taken off again. He finds Cammi rescuing him and instantly recognizes she is his mate. She passes out when Rogue flashes form so Luca takes her home, to discover his best friend, Nate, is also Cammi's destined mate. When Cammi's self-appointed big brother learns the shifters are after her heart, he takes matters into his own hands and attempts to convince her they are not for her. Who will Cammi believe? Her two new lovers or a friend who is the closest thing to family she has ever known. FireStarter Penny is hunting the firestarter who lit the fire that killed her parents. She's caught others, but ten months after her parents' deaths, this one firestarter remains elusive. With a single-mindedness she'll live to regret, she tracks him to a fireground-where she goes from being the hunter to the hunted. Marshall, a jaguar shape shifter, has known for years that Penny was destined to be his mate. But he's always held back from her out of fear his past as an abuse victim would be too much to fight. But then Penny goes missing, and all those fears suddenly seem so stupid. He should have been with her, keeping her protected. When Marshall turns to Clayton, his adoptive shifter-brother, for help in finding Penny, Clayton reveals secrets Marshall could never have seen coming, and everything changes-for all three of them.

A new collection of delightfully macabre tales from a master of horror manga. An old wooden mansion that turns on its inhabitants. A dissection class with a most unusual subject. A funeral where the dead are definitely not laid to rest. Ranging from the terrifying to the comedic, from the erotic to the loathsome, these stories showcase Junji Ito's long-awaited return to the world of horror. -- VIZ Media

The world is in deep crisis. Most people tend to believe that world events are either mere coincidences or a direct result of the incompetence of decision-makers. A thorough examination shows a different picture. There are certain groups who have a vested interest in promoting a so-called New World Order, which is basically another term for totalitarian world government. The market is already full of books on the topic. This one is different.The author uses scientific methods to prove his points. For instance by applying the falsification theorem of Karl Popper to falsify conspiracy theories and fake news, he demonstrates beyond a shadow of a doubt that these are often spread by government and mainstream media.This book shows how the Austrian School of Economics presents solutions to most of the problems the world faces today. Its teachings provide knowledge for a deeper understanding of the so-called power elite's behavior. They equip the reader with the tools to analyze and predict the methods, strategies and tactics of interest groups such as big corporations, NGOs and secret societies, whose strong influence on society this book proves. In spite of its scientific approach, the German version under the name "Das Kapitalismus Komplott" (Capitalism Conspiracy) was a bestseller, receiving positive reviews for its concise and simple language. The English translation has been thoroughly updated and includes recent developments like the presidency of Donald Trump and the so-called immigration crisis, an important key in the ushering in of the New Word Order. The author and journalist, Oliver Janich, is known for his work for the biggest publishing houses in Germany. He was the first in Europe and possibly worldwide to expose the lies and inconsistencies of the official version of 9/11 in a mainstream business magazine (Focus Money). His two books are both bestsellers in Germany and his Youtube Videos receive millions of views. Leading intellectuals such as Hans-Hermann Hoppe, Thorsten Polleit and Jörg Guido Hülsmann and celebrities like the popular singer Xavier Naidoo, stand-up artist and actress Lisa Fitz or Golden Globe Awardee Christine Kaufmann have all praised his work. Ron Paul commended the manifesto of the libertarian "Partei der Vernunft" ("Party of Reason") which Janich founded.

"Nicole Galland is exceptionally well versed in the fine nuances of storytelling." —St. Petersburg Times "Galland has an exceptional gift." —Neal Stephenson The critically acclaimed author of The Fool's Tale, Nicole Galland now approaches William Shakespeare's classic drama of jealousy, betrayal, and murder from the opposite side. I, Iago is an ingenious, brilliantly crafted novel that allows one of literature's greatest villains--the deceitful schemer Iago, from the Bard's immortal tragedy, Othello--to take center stage in order to reveal his "true" motivations. This is Iago as you've never known him, his past and influences breathtakingly illuminated, in a fictional reexamination that explores the eternal question: is true evil the result of nature versus nurture...or something even more complicated?

Wild as a pagan goddess, Lady Summer galloped her stallion along the Cornish coast. She had dabbled in the smuggler's game to save her family estate, but a wealthy marriage would better serve her purpose now. Lord Ruark Helford seemed the answer to her reckless prayers. But as his hot, hungry kisses drew her toward deception and irresistible acts of love, she had to hesitate. Would this arrogant, handsome lord be her ticket to heaven--or hell?
