marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

**Go Ye:** A 27-week intensive discipleship course The word "disciple" is grounded in "discipline," so we should have a disciplined approach in teaching people how Jesus reacted in every situation. People need to be taught to live and breathe the Word of God. We can only teach them by spending time with them and immersing them in the Word of God in a systematic approach. What is discipleship? Too often, new believers come to Christ and don't receive the mentoring they need to discover how to live the abundant life Christ offers. They can easily become disillusioned with the Christian life simply because they don't connect with the power Christ offers. Christ taught us to not only reach the lost, but to teach the lost: "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you. And lo, I am with you always, even unto the end of the world." Utilizing modern-day parables, Jack Adams helps readers connect with Christ's commands. As you work through the Go Ye course of study, you'll learn to clearly and effectively explain what you believe and why you believe it. Each lesson in the workbook introduces a topic, teaches a principle, and invites you to discover the truth in God's Word. You'll benefit from working through Go Ye if: You desire to find out if the Jesus of the Bible is real You want to understand God's kingdom better You desire to articulate what you believe You want to be able to lead others to Christ You want to disciple others You simply want to know Jesus better REVEREND JACK ADAMS is the founder of Matthew 2819 Ministries, which supports gospel crusades and short-term missions around the world. His first book, *Go Ye*, a 27-week intensive discipleship course, has trained hundreds of believers in the foundational truths of the Christian faith. His second book, *You Are Now Free to Walk with God*, helps new believers understand how to embrace their newfound faith and fully experience their new life in Christ. Adams lives in Texas, where he serves his local church and community.
